To Whom it May Concern

I am writing to recommend the services of Edwin Lewis of Wider Impact.

Edwin has supported us through a detailed feasibility study of our Social club activities this year bringing it to fruition in July.

His ability to remain detached, and to get down to brass tacks and understand the challenges facing the Social Club have been invaluable. His knowledge and attention to detail have aided us in fully understanding the strengths and weaknesses of the Social Club. This equipped us in being able to make an informed decision regarding the future of the club.

I feel confident in recommending Edwin's services, he is not only thorough but also easy to work with and always willing to take the time to discuss any concerns and respond to questions.

If you have any further questions, please feel free to contact me.

Regards,

Anthony J Rohan
